## **Village Board to commend Glenbard North students**

During its Nov. 7 meeting, the Carol Stream Village Board will recognize four Glenbard North High School students for their role in a new organization for young people.

Ashley Crocello, Eric Booth, Sean Marcucci, and Mallory Redinger are members of Carol Stream's new Youth Council. The Village Board will honor them when it meets at 8 p.m. Nov. 7 in Village Hall, 500 N. Gary Ave.

The Youth Council is one of many examples of Glenbard students taking an active role in their community.
